Jakub Machu

Automation QA Engineer at Ciklum Western Europe | CN Group CZ
Zlín a okolí

Souhrn

Automation testing for accessibility level AA.

Responsible for creating and maintaining automation scenarios and tests for a complex information system, that could be used for tracking attendance, planning shifts and visitor's management across multiple platforms. Role involved designing and implementing automation tests, creating bug reports and acceptance testing that will ensure that main principles of accessibility criterias runs smoothly on web, Android, and Apple devices.

- Accessibility testing - testing proper functionality of screen-readers, HTML, Colour Contrast, Parsing issues
- Atomic design
- Automation tests in C#, Selenium - validating accessibility features
- aria attributes, focus
- Created and maintained over 60 automation tests regarding proper functionality and accessibility features
- Automated tests both for component library (Morpho - atomic design) used on the project and web application
- 90% coverage of automation tests when client expected 40-50% coverage
- Azure DevOps - Test Plans, Backlog, Sprints, Pipelines
- XPath locators

Pracovní zkušenosti

Ciklum Western Europe | CN Group CZ
QA Automation Engineer
ledna 2023 - Present (10 měsíců)
Zlín, Zlínský, Česko

Accessibility (Screen readers - NVDA, JAWS, colour contrast, WCAG 2 Level AA Conformance), Atomic design, HTML - ARIA attributes, C#, Selenium, XPath, Visual Studio Enterprise, Azure DevOps

Trollstigen Drift AS

5 let 11 měsíců

Head chef of Trollstigen Café

dubna 2014 - září 2019 (5 let 6 měsíců)

Åndalsnes, Møre og Romsdal, Norway

This position was about motivating the team, making sure all hygienic standards are met, finalisation of orders for kitchen and front of the restaurant (Asko, Bama, Tine), preparation for tourist groups and À la carte.

Salesman, driver - Meyer's Juletree

listopadu 2013 - listopadu 2018 (5 let 1 měsíc)

Ålesund, Møre og Romsdal, Norway

This kind of job is available only from start of November to 23. December due to its characterization. I used to come to Norway to cut, deliver and sell christmas trees each winter from 2013 to 2018.

Working on the field with chainsaw, driving (driving licence C) trees to clients and selling them in Ålesund.

Meyer's Juletree is a popular producer with his own plantations in that area having a long history.

Trollstigen Drift AS

Manager at Gudbrandsjuvet Café

dubna 2013 - září 2013 (6 měsíců)

Åndalsnes, Møre og Romsdal, Norway
